

UNIFORM

By wearing a school uniform students can readily identify with, and feel pride in their school.

Wearing a uniform is a relatively low cost way for parents to 'dress' their children for school and address issues of equality at the same time.

The purposes for wearing a uniform are

- to develop a sense of belonging
- to provide cost effective and practical clothing
- to promote the image of the school
- to ensure that students feel equal with each other
- to promote pride in the school
